The Restaurant

Ancora's mission is to embrace the harmony of Peruvian and Japanese cultures while incorporating the bounty of the West Coast

Since opening our doors in the summer of 2015, Ancora has received numerous awards and accolades. This legendary waterfront location is truly a window to Vancouver, and its culinary scene.

Ancora's dining space was designed with soft modern lines that embrace the warmth and richness of the city's waterfront landscape. The interiors feature a subtle mix of soft blues, sand-inspired neutrals and light woods to thoughtfully reflect a gentle, coastal feel, and a serene but sophisticated style.

Gorgeous fishnet-inspired crystal chandeliers were imported from Italy, along with custom-colour premium leather furniture sourced from Europe. The back feature wall in the lower dining room was enhanced with soft gold wall tiles that mimic the ocean's waves. The bar, a mainstay of the room, was finished with rich walnut, faced with a unique, wood-mosaic tile, and topped with gorgeous onyx.

Lighting underneath further highlights the beauty of the natural veining of the stone incorporated into the bar. Not to be forgotten, the private dining room brings an ambiance of upscale elegance that's ideal for small parties or private get-together.
