PORTUGAL • PORT

Our collection of vintage and colheita (extensive tawny aged ports) is intense and beautifully preserved. Each one is made from a blend of traditional port grapes grown in the Douro valley. This includes Touriga Nacional, Touriga Franca, Tinta Roriz, Tinta Barroca, and Tinto Cão. Unlike most ports, the ones in this collection are single harvest. The grapes are collected during a single year and fermented then fortified before extensive ageing in oak barrels. They are both intentional and exceedingly rare.
