At Ancora Waterfront Dining, we strive to offer the **Nikkei Experience**—a seamless fusion of Peruvian flavours and Japanese techniques. By blending Peruvian spices with Japanese culinary precision, we showcase the bounty of the West Coast, creating dishes designed to delight the palate.

Our wine list follows a simple philosophy: if you were to close your eyes and flip through the pages, you'd land on a bottle that perfectly complements our cuisine. Thoughtfully curated for accessibility, the selection moves from lively sparklings and elegant whites to rich, luscious reds.

We proudly feature wines from small, family-owned producers who prioritize vineyard integrity and environmental sustainability.
